

PRODUCT BULLETIN

We Have New Products, New Programs & New Events!

Quality Comes First

Suncor Stainless produces the highest performance quality stainless components in the industry, all backed by the industry's only Limited Lifetime Warranty. Quality assurance is a core business practice at Suncor. Our dedicated quality team utilizes state-of-the-art testing equipment to ensure customer satisfaction on every part sold. As an ISO certified company, Suncor Stainless leads the industry in quality products and services.

NEW PRODUCTS

Stainless Steel Fastener Program

To facilitate our customers' needs when purchasing hardware that requires fasteners, we have begun to offer stainless steel fasteners and accessories. This program includes packaging for large and small quantities to satisfy stocking needs and consists of stainless steel machine and wood screws, hex nuts and washers. These items are offered in a variety of styles, lengths and sizes.

(available January 2012)

Multi-Purpose Lanyard

The Multi-Purpose Lanyard includes a stainless split ring and can be attached using the ring or affixed to an existing ring. It is available in one size and can be used as a "quick release" for snap shackles and pelican hooks. This lanyard is pre-packaged for stocking needs.

(available immediately)

Quick Attach™ Wedge Kit

Now you can reuse your Quick Attach™ turnbuckles and hardware with this low cost replacement wedge kit. The Quick Attach™ Wedge Kit is available to fit a variety of wire rope sizes ranging from 1/8" to 1/2". It features a bronze washer, 3-part wedge and wedge band.

(available immediately)

Captive Thimble

Suncor has developed a new product to add to the thimble family. The Captive Thimble is offered in a variety of sizes ranging from 1/2" to 1-1/4" and is made from grade 316 stainless steel for maximum corrosion resistance and durability. Its primary function is to hold the wire or fibrous rope "captive" while preventing chaffing, making it ideal for in-water boat towing applications.

(available December 2011)
