What's New for 2015!

## Easy Product Access

The Suncor Stainless Partner Portal is where you'll find information and tools to market, sell and support Suncor products for mutual success. This portal includes installation instruction, products specifications, a photo gallery and a video library. To access the Partner Portal, visit the "Contact Us" page and click on the "Partner Portal" link or use the link below. First time users must create a new account by simply filling in a few fields, including username, email address and Suncor account number. <http://partnerportal.suncorstainless.com/>

## NEW PRODUCTS

## Threaded Products for Retail Sale

### Retail Packaged Fastener Program

Suncor Stainless has created a retail packaged fastener program that includes fasteners and accessories packed for retail. In the program we feature machine and wood screws, flat washers, lock washers, and hex nuts. The screws are available in a flathead or panhead style in sizes ranging from #8 to #20 (5/16") and lengths up to 2". They are packaged in small quantities, 3 to 10 pieces in each, which feature colorful packaging and are also available in bulk packs.

**SIZES: #8 - #20 (5/16")**  
**GRADE: 316 STAINLESS STEEL**  
**MULTIPLE STYLES & SIZES**

## New Sizes & Grades

### Eye Bolts for Every Application

Suncor Stainless manufactures a wide variety of stainless steel eye bolts. We have recently expanded our line even further. We have added an unwelded and welded eye bolt in grade 316 stainless steel. Also, we now offer a metric version of our shoulder eye bolt and plain eye bolt, both in 316-NM stainless steel. Sizes for our eye bolts are 3/16"-1" with UNC thread and 5 mm-24 mm. Working load limits range from 100 lbs. - 9,370 lbs. Our wide variety of stainless steel eye bolts fit every type of applications, from light-duty to heavy-duty, and many are supplied with washers and nuts.

**SIZES: 3/16" - 1" & METRIC**  
**304 & 316 STAINLESS STEEL**  
**WLL: 100 lbs. - 9,370 lbs.**

# Anchor Snubber Hook

## Security & Peace of Mind at Anchor

Suncor has developed a new stainless steel anchor snubber hook. This product helps to reduce the load on the chain windlass while a boat is at anchor. The design of the hook allows for easy removal of the chain but helps prevent the chain from falling off. The anchor snubber hook is made from grade 316 stainless steel for maximum corrosion resistance and durability. It is designed to work with stainless steel and galvanized steel anchor chains.

**SIZES DESIGNED TO FIT:**  
1/4", 5/16" & 3/8" CHAIN  
**GRADE: 316 STAINLESS STEEL**
