

# PRODUCT BULLETIN

Happy Holidays from Suncor Stainless!

## Easy Product Access

The Suncor Stainless Partner Portal is where you'll find information and tools to market, sell and support Suncor products for mutual success. This portal includes installation instruction, product specifications, a photo gallery and a video library. To access the Partner Portal, visit the "Contact Us" page and click on the Partner Portal link or use the link below. First time users must create a new account by simply filling in a few fields, including username, email address and Suncor account number. <http://partnerportal.suncorstainless.com/>

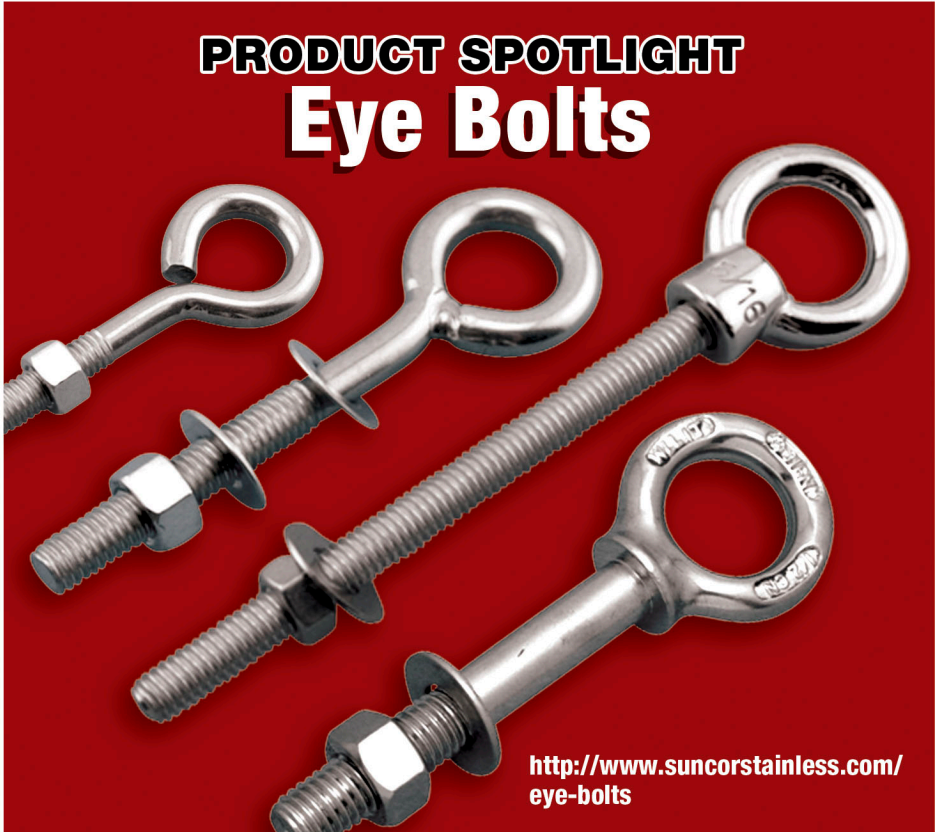

## NEW PRODUCTS

### Suncor Doubles Eye Bolt Selection

#### Multiple Sizes in a Variety of Styles

Suncor manufactures and offers an extensive line of stainless steel eye bolts. These bolts range in sizes from 3/16" to 1" and feature a variety of styles including welded, unwelded, plain and shoulder. New to this section, we have added grade 316 stainless steel versions of our welded and unwelded eye bolts. We also expanded our line of shoulder and plain eye bolts to include metric sizes. We have the capability to manufacture custom eye bolts as well.

- SIZES: 3/16" - 1" & METRIC
- 304 & 316 STAINLESS STEEL
- WLL: 100 lbs. - 9,370 lbs.
- CUSTOM LENGTHS / SIZES

## More Options

### A Turnbuckle for Every Application

We are now offering stainless steel turnbuckle components individually. We have 14 different style components with over 180 sizes. This will allow for mixing and matching components to make the ideal turnbuckle. Ends include forged and cast toggles, eyes, jaws, stubs, studs, hooks and wall toggles. The body styles consist of open bodies and closed bodies.

- SIZES: 3/16" - 1-1/2"    - WLL: 100 lbs.-17,000 lbs.
- GRADE: 316 STAINLESS STEEL

## Pins & Bodies

### Replacement Shackle Parts

We are now offering stainless steel shackle components individually. These components are ideal for replacement parts. The shackle bodies are available in 2 styles, including anchor and chain and are offered in sizes ranging from 1/4" to 1-1/4". Shackle pin styles include screw pin, bolt pin and cotter pin with sizes from 3/32" to 1-1/4".

- SIZES: 1/4" - 1-1/4"    - WLL: 1,000 lbs.-14,000 lbs.
- GRADE: 316 STAINLESS STEEL

## 316 SS Fasteners for all Applications

### Bright Packaging & Ideal Quantities

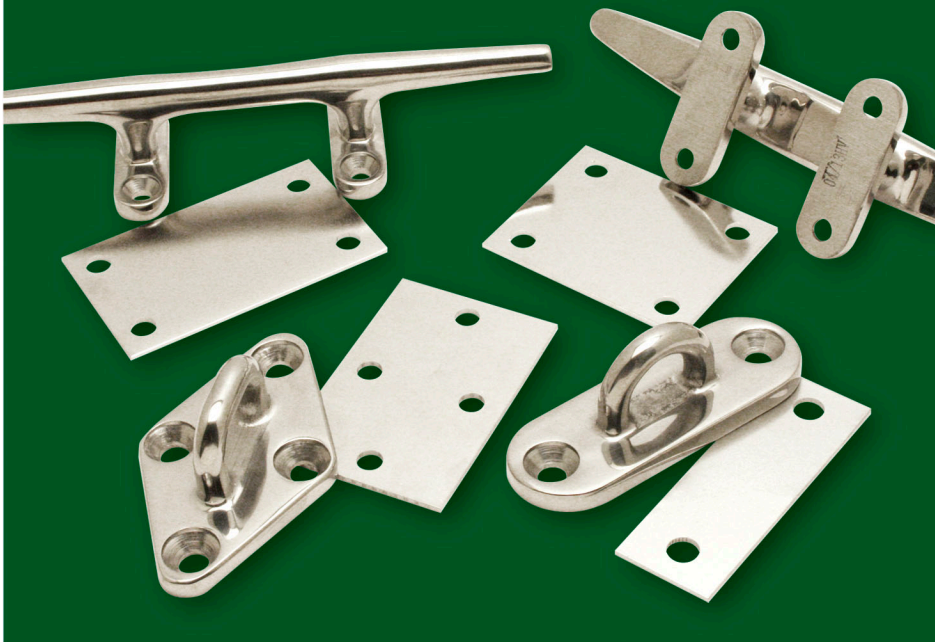

The fastener program is up and running. This program includes machine and wood screws, flat washers, lock washers and hex nuts. The screws are available in a flat-head or panhead style in sizes ranging from #8 to #20 (5/16") and lengths up to 2". All fasteners and accessories are offered in small packs from quantities of 3 to 10 and bulk pound packs. Check out pages 154 to 157 of the volume 11 Suncor catalog to find the compatible screws for all the stainless hardware that we offer.

- SCREW SIZES: #8 – #20 (5/16")
- GRADE 316 STAINLESS STEEL
- MULTIPLE STYLES & SIZES

## PRODUCT SPOTLIGHT Backing Plates

## A Strong Back-Up

### Backing Plates for Pad Eyes & Cleats

As you know, we manufacture 3 different styles of heavy duty boat and dock cleats, known as Herreshoff, Blue Water and Trim-line cleats. We now offer the compatible backing plates for every style and each size cleat. Along with offering backing plates for cleats, we now manufacture plates for all our stainless steel pad eyes. These backing plates are made from grade 316 stainless steel for maximum corrosion resistance and durability, making them ideal for a variety of marine and industrial applications.

- FOR CLEATS & PAD EYES
- GRADE 316 STAINLESS STEEL
- MULTIPLE STYLES & SIZES
